

Ordo Liturgia

For use with

Journeying with the Saints

This liturgy is intended for those Old Catholic Apostolic Church clergy who wish to use a liturgical calendar to order their worship. The accompanying book 'Journeying with the Saints' by Fr. Laurence Martin has information about the saints to enable meaningful prayers and intentions to be incorporated into the church year. Flexibility is encouraged particularly around the flexible feasts especially Easter and the days listed are going to vary from year to year.

This is not a complete list of saints or blessed servants of Our Lord and there are many worthy of inclusion in the worship year. Clergy are encouraged to adapt this list to include others, if in prayer they are led to do so, or should members of a congregation request it.

Similarly, the liturgy is not a rigid prescription of the ordering of worship, but rather a guide and starting point with the intention of covering a wide range of theology and history of the One Holy, Catholic and Apostolic church, with Christ as its head.
