

*St Catherine's Seminary is the name of the internal study and training program of the Old Catholic Apostolic Church*

## The Denominations

Here is a list of each denomination. Each one is a link which will take you to a description of that denomination, short history, contact details and links to their websites.

Inclusion in this list does not imply approval of the organisation's beliefs or methods, neither does omission imply disapproval. This list is a display of the great breadth of diversity in the peoples that call themselves Christian. Description in italics gives: model (i.e. Protestant), ministry (i.e. Presbyteral = single layer), Trinitarian or not. Such a short description cannot possibly give the whole picture of the denomination, and many hold unique viewpoints on many subjects.
